

Topsail acquire Y Yacht Insurance and Y Yacht Assurances France

We hope this finds you well.

You will by now have received communication from Barrie Sullivan advising of some changes to the ownership of what was previously his company.

Topsail Insurance Ltd are excited to announce that we have reached an agreement with Barrie to purchase Y Yacht Insurance and Y Yacht Assurances France. As a result, Topsail will be handling your insurance requirements going forward.

Topsail was established in 1996 as a general commercial broker. A complete restructuring of the company in 2007 led to the consolidation of the business as a pure marine broker specialising in all things marine.

Topsail is presently based in Brighton, East Sussex, but also has a sister company Topsail Insurance Pty Ltd. established in 2014 based in Perth and Sydney, Australia. We are passionate about providing excellent service to all of our customers, which is demonstrated through our high customer retention rates.

A copy of our Privacy Policy is available [here](#). Furthermore, a copy of our Terms of Business Agreement (Version 8 – April 2019) is available [here](#).

You have most likely previously corresponded with Claire Froggatt and Helen Webster and we are pleased to announce that they have agreed to join the Topsail team.

Rest assured that this will not result in any change for you, except that the [Topsail Team](#) will now handle your insurance requirements.

We have put together a [Questions and Answers](#) document, which I hope will answer some of the questions you may have. However, if you have any changes that you require to be made to your existing policy or indeed if you have any other questions relating to any of the above, then please do feel free to contact us.

Wishing you all the very best in the meantime and if we do not speak before, on behalf of myself and the team, I wish you and yours a very Happy Christmas and a prosperous New Year.
