IMPORTANT CONDITIONS

If Your claim is covered under a section of this policy and no exclusions apply then it is vital that You comply with the conditions of this policy in order for Your claim to proceed. The conditions applicable to this section are contained under the 'Conditions' section below and should be read carefully. Some of the main conditions to this insurance are that:

Prospects of Success

There must be more than a 50% chance of winning the case and achieving a positive outcome. A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which best serves Your interests. The assessment of Your claim and the prospects of its success will be carried out by an independent Adviser. If the Adviser determines that there is not more than a 50% chance of success then We may decline or discontinue support for Your case.

Proportional Costs

An estimate of the Advisers' Costs to deal with Your claim must not be more than the amount of money in dispute. The estimate of the Advisers' Costs will be provided with the assessment of Your case and will be carried out by the independent Adviser. If the estimate exceeds the amount in dispute then We may decline or discontinue support for Your case.

Duty of Disclosure

If You breach a term of this insurance contract which is essential to its performance, this insurance contract will be suspended from the time of the breach until the time the breach can be remedied.
